Gentlemen:

Your plan to provide our community with a weekly paper which will publish foreign, national and local news of interest to our people on a strictly non-partisan basis, with editorial and advertising policies conducted on a high ethical level, is very commendable, and I feel sure will operate to the great benefit of the community. Because of your praiseworthy aims, I am pleased to serve on the Board of Directors and the Advisory Board. I am certain that conscientious and full adherence to your announced policies will bring to your publication the enthusiastic support of Detroit's Jewry.

I am

Sincerely yours,

Abraham Sere
