Mr. Phillip Slomovitz,  
c/o Jewish News  
2100 Penobscot Bldg.  
Detroit, Michigan

Dear Phillip:

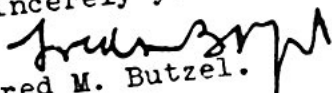

A well edited and well published Jewish paper in Detroit is long overdue. I believe that under your direction and with a representative board the News will fill the bill.

There are numerous main currents in our life here as well as eddies and cross currents that are entitled to expression, and there are main sources of news which should be tapped for information of the public.

I am confident that a satisfactory news and editorial policy can be worked out, which is not too conflicting with the business needs of the paper, and that the Jewish News can be a fine force in the reconciliation of the various Jewish elements of the city and will lead to the mutual understanding of these elements.

I hope that the conduct of this paper will be a source of great satisfaction to you and give proper scope to your very evident talents.

Sincerely yours,

  
Fred M. Butzel.
