

# The ALBION

JAMES AVENUE AT LINCOLN ROAD  
MIAMI BEACH, FLORIDA

February 23, 1942

It is with deepest interest that I learn that my good friend Philip Slomovitz is about to inaugurate a new Jewish weekly in Detroit.

This I do know: Philip Slomovitz writes intelligently, readably and effectively and made his paper one of the most respected in all the American Jewish Press.

He has Jewish knowledge, not a little, Jewish Learning, deep Jewish feeling, and almost unerring Jewish understanding.

Whatever Slomovitz undertakes to do has my best wishes and my blessing.

Yours,
