My dear Mr. Slomovitz:

SECRETARY
 LOUIS SEGAL

The launching of "The Jewish News" under your editorship is an event in American Jewish journalism. My congratulations go out to you, to the Detroit community and to the larger American Jewish community whom "The Jewish News" should reach.

TREASURERS
 ICHEL M. KOWALSKY
 JACOB SINCOFF

This crucial period in mankind's history, most fateful for the Jewish people, imposes grave responsibilities upon American Jewry, which must play a decisive part in determining questions related both to Palestine and to the Diaspora. An intelligently informed American Jewish opinion is a necessity of the first order.

EXECUTIVE DIRECTOR
 MENDEL N. FISHER

Vigorous, lucid, positive Jewish thinking is always at a premium. When such thinking is expressed in vivid, attractive style, it is a two-fold boon. You possess that gift. It will, I am sure, make "The Jewish News" popular and influential on a national scale.

In the same way that outstanding daily newspapers, whether published in Baltimore, Louisville, Springfield or New York, have by their intrinsic merit become national institutions, so may "The Jewish News" under your editorship become a model of its kind and find its way into thousands of Jewish homes in all parts of the country.

Cordially yours.

Israel Goldstein
 Dr. Israel Goldstein,
 President.
