Mr. Philip Slomovitz, Editor
The Jewish News
Detroit, Mich.

Dear Mr. Slomovitz:

Please accept my hearty congratulations upon the publication of your new Jewish-English weekly, "The Jewish News". This is, I believe, the only community-governed periodical in the country, and as such I am sure that we of Detroit are creating something which will undoubtedly be of great value, and will be watched by many Jewish communities.

But no enterprise is better and more efficient, than its head; no newspaper is better than its editor. This new enterprise certainly has the proper head. You surely made for yourself an enviable reputation in this field. Your acquaintance with and participation in all worthwhile Jewish endeavors, educational, social and philanthropic surely makes you the most desirable editor for such a publication.

Wishing you unbounded success, I am

Most cordially yours,

B. Isaacs
